

SHOE ORDER FORM

A required part of our band uniform is a white tie shoe, also known as Dinkles. This may be purchased on your own, or you may order the shoes through us. We place our order through R.W. Munyon Company who offers these shoes at a cost of \$28.50.

If you wish to place an order, fill out the form below and return it to the RED box in the band room by August 23rd, along with a check for the full amount. Make checks payable to WTHS Band Boosters. The boosters will place the order and submit one check for all the orders. Shoes will be shipped directly to the school and will arrive during the first week of September.

These shoes ARE NOT required for members of the colorguard. Colorguard members may be asked to purchase personal clothing items as well as shoes at a later date.

Please note: Traditional sizes are available as well as ½ sizes except for sizes 11, 12, 13 or 14. Please specify a wide width by using “W” next to the size. If you are uncertain as to what size to order, the best thing to do is ask an upperclassman to bring their shoes in so that you can try them on. If shoes are delivered and do not fit, we can return and order a different size at no cost.
