POST-SEASON 2009

*(*only students participating in the trip need to attend these events*)*

Mondays in December (12/7, 12/14, 12/21) – Cotton Bowl Rehearsals 6:30-8:30 p.m.

Wednesday, 12/30/09 – Depart for Cotton Bowl in Dallas, TX

Sunday, 1/3/10 – Return from Dallas, TX

Please note:

Consult the attendance policies listed in this handbook regarding absences for both the Summer and the Fall Schedule. Please read them thoroughly for further clarification on absences. Additionally, playoff games and the Thanksgiving game are a part of our regular schedule. The same attendance policy and procedures applies for these performances.

Listed on the schedule are possible rehearsals and tentative times on performance days. Specific times will be given for these days as soon as our competition times are finalized. That information will dictate our rehearsal and report times as well as return times. Please understand that depending on the particular competition, this may not occur until the week of. That information will be given out in the weekly “MINUTES” and/or posted on our website: www.wthsminutemenband.com

This schedule is subject to change with adequate notice

PHILOSOPHY

The art and activity of marching is one that combines quality music with an effective visual presentation. Through consistent and positive instruction, it is the goal of the staff to provide our students and audiences with both a highly competitive, yet equally entertaining marching band show. We want to teach students who want to learn. As one team of instructors, students and parents, we will always work **Together With Pride**.

CODE OF CONDUCT

All members of the marching band are expected to adhere to the code of conduct set forth in the Washington Township High School student handbook. In addition, all members of the marching band must adhere to the following conduct guidelines:

REHEARSAL CONDUCT

All members of the ensemble will be taught and given specific details as to proper etiquette during music rehearsal, basics block, sectionals and field rehearsals. The staff member in charge of the specific rehearsal will define the etiquette. There are 4 basic behaviors that are not tolerated in Marching Band that will always be in effect during all activities:

1. SWEARING
2. CHEWING GUM
3. OPEN DISPLAYS OF AFFECTION
4. DISRESPECT TOWARDS STAFF & FELLOW STUDENTS

UNIFORM CONDUCT

Please refer to the Uniform Procedures portion of this handbook for specific details on the care and maintenance of your uniform. The following is a list of behaviors that are NOT acceptable while you are in uniform. The reason for these strict guidelines is simply because when we are in uniform we are representing not only ourselves, but also *Washington Township High School*. Our conduct in the uniform is crucial to developing a strong sense of pride and uniformity in what we do:

1. "Rehearsal Conduct" as listed above
2. SITTING (without a raincoat)
3. SPITTING
4. RUNNING
5. SCREAMING

Eating or drinking while in uniform is also prohibited unless approved by the band director. You must wear your assigned raincoat when having anything other than water in order to protect the quality of our uniforms.

ATTENDANCE

Attendance at all rehearsals and performances is very important for every member. All rehearsals and performances are graded (please see the grading procedures for more information). The director must approve all conflicts before they are considered to be excused. Please understand that any absence from the activity has a direct effect on the entire program. While we can never plan for illnesses, we must plan appointments and other business around the schedule. The following are explanations of the various types of absences:

1. Excused absences: These include, major family events (i.e. weddings), religious education classes and/or holidays, standardized tests (i.e. SATs), college visitations/placement exams and previously scheduled family business/vacation that cannot be changed. All notes should be placed in the absence box in the band room. Please include the specific reason as to why the student will be absent. Also, please be aware that submitting an absence request does not guarantee approval. In addition, e-mail or phone excuses will not be accepted for general absences. All potential excused absences for the **FALL SEASON** must be verified with a written note from your parents/guardians by **TUESDAY, AUGUST 18th, 2009**.

2. Emergency excused absences: These will be granted on a case-by-case basis. Such excuses include but are not limited to: illness or a death in the family. In this case, please notify the director **IMMEDIATELY** of the situation by phone at 589-8500 x7161 and/or by e-mail at ccorigliano@wtps.org.

3. Illness: If a student is absent from school due to illness, he/she will not be expected to attend rehearsal. **HOWEVER**, an e-mail or phone call to the director is expected from the student or parent in order to receive an excuse without penalty. If students are in school on the day of a rehearsal but become ill prior to rehearsal, a doctor's note will be needed to verify the absence upon return to school. Doctor's notes are also expected for all illnesses that will prevent the student from participating fully in the activity such as a physical injury.

4. Unexcused Absences- Rehearsals:

First Offense: Will result in a zero for that rehearsal and a suspension from the next performance. Students are still required to attend that performance in full uniform.

Second Offense: Same as above plus a zero for the next performance.

Third Offense: Will result in a "Withdraw/Failure" for the course and the student will not receive an end of the year participation award from the program.

5. Unexcused Absences- Performances: Will result in a failing grade for the marking period. Any further unexcused absences from any future rehearsals or performances will result in a "Withdraw/Failure" for the course and the loss of the end of the year participation award.

6. Lateness: Students are expected to be "ready to rehearse" at the assigned rehearsal time. Students who arrive late will be noted and will affect their rehearsal grade (see grading procedures). Excused lateness (no loss of credit) will be granted if a note with proper reasons is provided by the next school day. In addition, students who are late may also be asked to make up the time missed as determined by the director.

ADDITIONAL ATTENDANCE POLICIES

1. Students are encouraged to attend all summer rehearsals (July & August). We begin in July and August to teach and/or review basic elements of marching and playing. Therefore, the policy for summer attendance is as follows: if you are in town, you are expected to be at rehearsal; if you are on vacation or have another conflict; notes were to be submitted to the director prior to the end of the school year. For other emergency summer absences, please e-mail the director (ccorigliano@wtps.org) as soon as possible. You must be accounted for in order to receive a drill spot in the show (see audition policy). Please realize that excessive summer absences and/or absence from band camp could place you on “alternate status” where the student will need to make an extra commitment in order to earn a drill spot in the show. Such excessive absences can have an adverse effect on the rest of the team.
2. A student who misses a rehearsal during the week of a performance, whether excused or for illness, may or may not be allowed to perform on that upcoming weekend’s show(s). This rule is strictly to ensure the safety of your student and the safety of other students on the field. The band director will make a decision on the day of the performance in these situations. The student will still be required to attend the performance in full uniform if these situations occur.
3. Students who work are encouraged to provide their employer with a copy of the band schedule in order to avoid conflicts. Additional copies of the schedule will be provided by request and will be on the website. Students will not be excused from any performance to work. In an emergency, students may be excused from only ONE rehearsal to accommodate the conflict. In this circumstance, the director must be notified in advance as soon as possible.
4. Students who participate in winter sports or activities are expected to attend band performances at football playoff games should they coincide with a winter sport/activity. Coaches and advisors should make allowances for all students so that they may complete their commitment to the “fall” season of marching band.
5. Attendance records will be reviewed when students are being considered for awards, promotions within the band, recommendations and scholarships. Each year, all students will receive a participation award from the marching band program at the end of the year banquet. Failure to adhere to these attendance policies may result in a forfeiture of that award.
6. Students are at NO TIME permitted to leave the school grounds once a rehearsal or report time has started without the permission of the band director. This includes days when there is a rehearsal followed by a lunch or dinner break before departure for a performance. Students must bring everything they need for the day at the start of rehearsal.
7. Above all else, communicate with the director about potential absences and emergency absences. If possible, also notify the appropriate student leader/captain in your section so that you are accounted for. The director can be reached in the band room at 589-8500 x7161 or via e-mail at ccorigliano@wtps.org.

GRADING PROCEDURES

Marching Band is a 2.5 credit, co-curricular course offered in addition to the Concert Band courses offered at Washington Township High School. It is completely optional to the student, but he/she must be registered in a Concert Band course in order to register for Marching Band.

Students enrolled in traditional, 5 credit courses receive grades each marking period. Due to the commitments required by the marching band course, grades are only issued during the first and fourth marking periods. All of the rehearsals and performances that occur before the close of the first marking period will be used to determine the first marking period grade. Any remaining rehearsals for the fall season and/or performances including football playoff games will be factored into the fourth marking period grade. In addition, any spring rehearsals and performances (i.e. Super Saturday) will also be factored into the fourth marking period grade. The final grade for the marching band course is an average of both first and fourth marking period grades.

The grading breakdown for each marking period is as follows:

Rehearsals:	35%
Performances:	50%
Music/Visual Assessments:	15%

Rehearsals: Students will receive a maximum of 5 points per rehearsal. This grade is based on: preparation, being on time, participation, effort, and conduct.

Performances: Students will receive a maximum of 25 points per performance. This includes all football games and competitions. In addition to those factors listed under rehearsals, this grade includes: uniform conduct, travel conduct, presentation and performance.

Music & Visual Assessments: Students will be tested by the music staff and the visual staff on specific concepts related to what we are doing on the field. Specific guidelines and point values for such assignments will be issued when these “quizzes” occur.

Students may be given make-up assignments to account for the point values of missed rehearsals and/or performances. If necessary, they may also request assignments from the director in an effort to improve their grade.

Grades issued are the responsibility of the director with input from the rest of the staff. All grading concerns or questions should go through the director via phone or e-mail.

REHEARSALS

All students are required to wear sneakers to each rehearsal and to dress appropriately for the weather. We will experience a wide variety of weather conditions throughout the season, so it is your responsibility to be prepared for any possible weather. Marching Band is an outdoor activity and requires us to be outside during uncomfortable conditions at times (i.e. heat and humidity, cold weather, rain, etc.).

Additionally, students should come prepared to all rehearsals with **WATER**. Ample breaks for water will be given throughout each rehearsal and it is the student's responsibility to have this available to themselves during rehearsals.

It is important to note that marching band, by its nature, is a physical activity. There is a great demand placed on a student to be able to march and play a complete show. There needs to be some proper conditioning on the part of the student, in order to facilitate a strong personal performance and to prevent injury. Calisthenics, stretching and running will be advocated and supported at rehearsals. Students are always encouraged to stretch and warm-up their instrument and their bodies before rehearsing or performing.

As with any physical activity, injuries can and probably will affect a few students. Illness may also affect a student's ability to rehearse and perform. A doctor's note should always be obtained in the case of a physical injury. In this case of illness or injury, the proper attendance policies must be used to notify the director of an absence.

If a student falls ill or suffers a minor injury during a regular rehearsal, the student will be permitted to sit out for one rehearsal, and to take notes of that rehearsal. If the student is too ill, he or she may be permitted to go home by the director. If the student is not well by the next rehearsal or performance, it is requested the student stays home to get healthy and that the proper attendance procedures be followed. As with a variety of injuries, they will be handled on a case-by-case basis between the student, director and parent.

REHEARSAL ETIQUETTE

As we get into the rehearsals for the season, etiquette for various types of rehearsals will be clearly defined by the staff. It is expected that all members will adhere to the defined procedures. Failure to do so will affect their grade. Should a student demonstrate on a regular basis that he or she does not subscribe to the proper conduct at a rehearsal, the band director reserves the right to evaluate the student's performance, and to make a decision as to whether the student should perform in upcoming shows. The director also reserves the right to send such a student home from rehearsal and request a parent/student conference to determine future course of action.

It is the goal of the staff to provide a teaching atmosphere that is both positive and effective. As a student, please take the time to understand the rehearsal etiquette and speak to the individual instructors and/or director about such issues on a personal basis.

BAND UNIFORM PROCEDURES

While you are in uniform, you are constantly being observed. Your personal appearance and your actions represent not only you, but also your band, school, community and country. The uniform assigned to you is a valuable asset to the band. You will be responsible for its care and maintenance. If something needs to be fixed or adjusted on your uniform, simply report it to one of the uniform “moms”. The desired goal is that the Washington Township High School Marching Band continues a tradition of excellence. The manner in which the band presents itself can leave either a positive or negative impression on its audience. The care of the uniform and the band member’s behavior while wearing it, goes far toward creating pride and continuing tradition.

Your uniform consists of a jacket with braids, bibber pants, black crew socks (no ankle socks), black shoes (Dinkles), white gloves, and a shako hat with plume. You will also be assigned a raincoat. You will be responsible for wearing it whenever assigned, keeping it clean, and placing it where it belongs in the raincoat room. Never leave items in your raincoat pockets.

All students are required to roll up or “cuff” their pant legs. This is done in an effort to keep pant legs clean. Pants will stay cuffed until the actual performance time as instructed by the staff. If your pants get excessively dirty, you will be asked to take your pants home to be cleaned. Instructions on how to do that will be issued when necessary.

Students must wear their TWP shirt under your uniform. With the exception of thermal underwear, never wear shorts, sweatpants, jeans, etc. under the uniform pants.

Band members traditionally wear white “Dinkles” with their uniforms. Information will be given out at the band camp meeting and orders will be placed in late August. Students must write their full name inside each shoe for easy identification. **Shoes must be clean for each performance.** When the lights hit them, smudges will show. Make regular shoe-polishing/cleaning a habit. Shoes may be cleaned by using soft scrub, which sometimes works better than traditional shoe polish. However, NEVER, NEVER clean or polish shoes while in uniform. Shoes must arrive in the band room already polished. Using Armor-All prior to wearing can protect new shoes.

All musicians must wear white gloves (except percussion). They MUST be kept white. An initial order of gloves will be made through the band director or his designee at the beginning of the season. Additional pairs may be purchased from a formal wear shop.

The Shako (hat) should always be worn squarely on your head, not tilted back or to one side. The visual judges partially base our visual score on whether or not your plume is sitting up straight. The strap should rest gently against your bottom lip. (NOT UNDER YOUR CHIN OR IN YOUR MOUTH.) It may feel awkward at first, but after some time, this will feel natural. When you are not wearing your Shako, it should be carried the proper way. It should be held squarely in the left hand, with the index and middle fingers and thumb clasped gently on the brim. ALWAYS carry the Shako in this fashion when not wearing it and NEVER wear it indoors. Do not place anything on top of the Shako because it will crush easily.

Hair should always be pinned up for the purpose of uniformity. A good guideline to use is that hair should not touch your collar and should not be seen beneath the brim of the Shako.

NEVER wear any jewelry, including watches, earrings, and bracelets, while in uniform (from the time you put it on until the time you take it off). It is distracting to your audience and the visual judges by breaking uniformity of the ensemble.

These rules are in effect during the entire duration of a performance/trip. Students are not to undo jackets or let their hair down at any time unless directed by the director.

A student in violation of any of the uniform procedures will receive a low grade for the performance and will not be permitted to perform.

Procedures for retrieving your uniform and raincoat:

1. Prior to entering the uniform and locker rooms, place backpacks, jackets, etc. away from the uniform room in a proper storage area (i.e. instrument locker) in the band room.
2. Enter the uniform room door next to Mr. Beyer's office. Retrieve your uniform and shako.
3. Dress in the appropriate locker room. Place "street clothes" in either a lockable locker in the gym or in a secure place in the band room.
4. If a raincoat is required, obtain it AFTER dressing in full uniform by entering the far door of the raincoat room and leaving by the door closest to the instrument storage room.
5. You are to remain in full uniform from the time you leave the locker room until your return, unless otherwise directed by a staff member.

Procedures for returning from a performance:

1. **HELP TO UNLOAD THE EQUIPMENT TRUCK.** It is your responsibility to make sure that your instrument/equipment returns to the proper place. It is also encouraged to help other sections of the band with larger or multiple instruments (i.e. percussion/colorguard).
2. Return raincoat prior to changing out of uniform.
3. Go to the appropriate locker room to change back into "street clothes".
4. Always fold the pants along the crease to prevent wrinkling.
5. Always hang the jacket up neatly and straight to prevent wrinkling.
6. Make sure your Shako is in the box correctly, or it may be crushed.
7. Take gloves and shoes home to be washed and cleaned. Portions of your uniform may also be asked to be taken home for washing at the discretion of the uniform supervisors.

If everyone follows these procedures, the result will be relaxed and organized transitions into and out of uniforms. Remember that it is up to you to take pride in yourself and your uniform.

YOUR UNIFORM IS A SYMBOL OF DIGNITY, PRESTIGE AND STATURE.

WEAR IT PROUDLY!

BUS PROCEDURES

1. Students will sign up for a bus prior to band camp. This will be the bus that the student will ride for the entire season. Any changes must be approved through the band director.
2. Students are to report ON TIME to their assigned bus in full uniform unless otherwise directed.
3. **Unless pre-approved or announced by the band director**, students are **NOT** allowed to bring the following on the bus: back packs, food and electronic devices (i-pods, cell phones, personal gaming devices, etc). These items will be confiscated and returned at the end of the trip. Your performance grade may also be affected in this case. Bottled water IS permitted but realize that we usually do not make pit stops so please plan accordingly.
4. Students are required to follow posted bus rules, as per Board of Ed. policies at all times.
5. Parent chaperones are responsible for taking attendance and are there to assist you and the staff. Treat them with respect at all times especially during roll call.
6. Students are to remain in their seat during the entire bus trip and are reminded to observe proper behavior especially if they are in uniform while riding on the bus.
7. All items and personal belongings are subject to search at any time by the staff. They have the right to confiscate any items until conclusion of the trip.

INSTRUMENT CARE

School owned instruments are available for sign-out through the band director. Instruments are not to be used until the proper paperwork has been signed and completed. You are held personally responsible for the care and maintenance of your instrument (whether school or privately owned). Care must be exercised not to leave your instrument unattended. Repair to school instruments that are above normal "wear and tear" will be charged to the student.

Any instrument not in good working condition makes it more difficult to play. All instruments will be checked periodically to see that they are in proper working order. If an instrument must be sent into the shop for repairs, it is the student's responsibility to secure a loaner instrument from the repair shop or the band director well in advance of the rehearsal. Students who have an inoperable instrument may jeopardize his/her opportunity to perform with the ensemble in upcoming performances, which will then affect your grade for the course.

Instruments may be stored in the band instrument locker room during the day. Students who use this facility must purchase and use a combination lock. The locker will be assigned and combination numbers must be reported to the band director. The district's insurance policy will not cover any instrument that is privately owned in any circumstance. Insurance for privately owned instruments may be purchased on your own.

FLIP-FOLDERS

Flip-folders will be issued to each student at the start of the season. Students are also responsible for any music that is issued throughout the season. Following the conclusion of the season, the director will announce a return date for all Flip-folders. The student must compensate for lost music and/or flip-folders.

AUDITIONS

During the previous school year, you auditioned and were assigned to a certain concert band class. This hearing also served as your eligibility audition for marching band. Based on your performance, you may be selected for a specific “dot” (position on the field) or as an “alternate” in the marching band. “Alternates” will be able to register for the course and will be given the opportunity to shadow other members of the ensemble during rehearsals. “Alternates” can have the potential to take over or to “fill” an empty drill spot based on his/her ability and work ethic during rehearsals.

MUSICIAN'S BINDER/DOT BOOKS

All students are required to obtain a 3-ring binder (at least 2”) with plastic sheet protectors. This binder will keep each musician organized, and will act as their reference for music, drill, and handbook procedures. The musician’s binder is required at **EVERY** rehearsal as part of your preparation. Plastic sheets are necessary in case of rain or humidity during a rehearsal, to protect the pages throughout the season. Each musician’s binder should contain the following:

- Handbook
- Warm-Up Exercises
- Show Music
- Visual Guide
- Drill
- “Minutes”

Section Leaders will begin to check binders at the first full-band rehearsal on **July 15th**. Any items handed out after July 15th will need to be placed in the binder ASAP.

Students must also obtain a small notebook (usually index card sized) to use as a drill reference book. This book is called the “Dot Book,” and is usually carried at rehearsals around the neck by attaching a shoe lace or something similar. Students will receive further instruction on how to complete their dot books, and they will become a requirement at **EVERY** rehearsal once we begin learning drill.

LEADERSHIP POSITIONS

Workshops for leadership positions will be held during the months of April and May. Members of the color guard or band-proper who wish to be considered for the positions listed below should plan on attending these workshops in their entirety. Final interviews and selections will be made by the end of May. A student may be relieved of the appointed position if, in the opinion of the director, he/she is not performing his/her duties in a proper way. The director may elect to appoint another student to fill the position.

Duties and Responsibilities of Leadership Positions:

DRUM MAJORS: Serve as the student leaders of the band on and off the field; Responsible for individual and group performances; Represent the director and the staff with his/her leadership, showmanship, and teaching ability.

CAPTAINS (Woodwind, Brass, Percussion & Colorguard): Represent all members of those various sections; Responsible for reporting attendance to the secretary and drum majors; Serves as the liaisons between section leaders and drum majors; Oversee section leader responsibilities in their respective caption.

SECTION LEADERS (various instruments): Represent all members or their respective sections; Responsible for reporting attendance issues to their captains; Serves as the liaisons between section members and captains; Fully demonstrates proper rehearsal etiquette, technique and musicianship.

FIELD CAPTAINS: Assist with the other section leaders and on the field as needed; Assist any members with marching or music as needed; Be available for any questions by students in any student; Promote a positive atmosphere at all times.

TRIPS

This is considered a trip year for the Minutemen Marching Band. We also attend band camp which is an overnight trip that kicks off the season. Here is some specific information:

BAND CAMP 2009: This is an opportunity for all members to learn the marching band show for the season while building teamwork and comradery between all members. This year's camp will be structured similarly to the past. We will first be holding a mini-camp here on the high school grounds with the explicit intent of beginning to learn drill for the fall show. We will then depart for Camp Saginaw for five days and four nights with the intent to complete the entire show. There will be opportunities for recreational time during both portions of the band camp with the intent to further bond with members of the program. Specific details about band camp and cost will be issued during the summer rehearsal season. Please consult the schedule for fee payment schedules, meetings and specific dates for all band camp activities. In addition, we will begin the fundraising process at the first summer rehearsal in order to help offset the cost of band camp for each student.

AT&T COTTON BOWL, DALLAS, TX: This is an once-in-a-lifetime opportunity to perform at an NCAA Division I Bowl Game. The Cotton Bowl in Dallas will feature a field show competition, a parade and participation in the halftime show for the actual Cotton Bowl game. Specific information about the trip including itinerary, costs and other arrangements will be provided by sometime in late July.

FUND-RAISING

Fundraisers are planned throughout the year with activities such as a band trip or band camp in mind. It is always to the student's benefit to make a concerted effort to raise money for these activities. The fund-raising schedule will be issued over the summer and the assistant director will announce any changes.

Students should remember that they receive the total individual profit from their personal sales. The director and/or band treasurer keeps an itemized account of each member's credit. Accounts are brought forth each year pending continued membership. This money is to be raised for and **MUST** be used toward band activities only. In accordance with school policy, no funds will be refunded or transferred from one student or school account to another, except in the case of two or more members within a single family, and within the same organization. Such requests must be made in writing to the director.

ADDITIONAL EXPENDITURES

At times, there will be the need for additional expenditures to be placed on the responsibility of the parents and students. These will include items such as dinkles (band shoes) and gloves. Both of these items can be purchased through the band director when the information for band camp is distributed. Other, more personal uniform items such as underwear, socks, thermal underwear, colorguard unitards, etc. are the responsibility of the individual students and parents to receive on their own.

The music and visual staff will require of each student to maintain a notebook or three ring binder filled with the following items: plastic sheet protectors, basic technique guides including music, show music, drill charts, and handouts. It is also required that students bring a pencil to every rehearsal in order to take notes. This will be further defined by the staff as we go through the summer season.

Unfortunately, money raised through fund-raisers is not allowed to be used for these items. Please budget accordingly when information and prices are announced. We can be sympathetic to households with tight budgets, but your needs must be communicated with the band director so that a payment plan or some other alternative solution is reached.

SPRING COMMITMENTS

As of this writing, there is one “spring” commitment currently scheduled. This is the annual Super Saturday parade which will be on **Saturday, May 8, 2010**. This is a required commitment of all band members. There will also be one rehearsal in preparation for this event on **Thursday, May 6, 2010** from **6:30-8:30 p.m.** Please mark these dates in your calendar now! Any changes to these dates will be announced in the early Spring.

Additional performances may come our way throughout the rest of the school year. If such an instance occurs, students will be given ample notice about the performance and a deadline to submit absence excuses. Previously scheduled personal commitments will be honored in this case as long as the deadlines are adhered to.

PARENT SUPPORT and RESPONSIBILITIES

The participation of your student in this program will hopefully prove to be not only rewarding for your student but for you the parents and guardians as well. Please help us in establishing the proper attitude toward music at home. Also, support what your child is doing by attending regular performances of the band and encouraging your son or daughter to practice at home.

The band booster organization is another great way to get involved with your child’s activity. Their purpose is to boost the overall band program through fund-raising and other means of support so that our students can have the best experience possible in this activity. Please see a member of the executive board of the booster organization for more information about meetings and membership.

If at any point you have a concern about any aspect of the program, please communicate with the director. Our staff has been selected on their qualifications to do the job asked of them and share many years of “field” experience between them. Immediate communication with the director is KEY is solving any student to staff issues that may occur during the season.

DIRECTOR'S INFO

Please feel free to contact us at any point during the season to discuss any concerns or questions you may have. We personally believe that communication between parents, students and the directors is crucial to the success of the program.
