

MINUTEMEN "MINUTES"

Official Newsletter for the WTHS Marching Band

September 1, 2009

Throughout the season, we will be distributing the Minutemen "Minutes" to update you and your parents on upcoming events and news about the marching band. These "Minutes" will be distributed at the conclusion of rehearsals and will be posted on our website (www.wthsmintemenband.com). It is every student's responsibility to communicate this information with their parents. The goal of this newsletter is to answer questions about upcoming events that are pertinent to every member of the band.

C's Final Thoughts:

Thank you once again to everyone for an extremely successful band camp as well as a successful mini-camp. We met our goals and got 50 pages of the show on the field! That's an incredible accomplishment and on behalf of the staff, I would like to say how much we appreciate all of the hard work by the students. Also, I would like to thank our band camp parent chaperones and nurse who helped out while at camp. We are off to an amazing 2009 season!

Welcome back!!
